The Crown Pillow (Retail \$99.95) offers a uniquely shaped shoulder notch for side sleepers or stationary cervical support as well as 2 additional sloping position options when pillow is rotated or turned. Made of the highest quality molded memory foam, the Crown utilizes the most supportive high density visco-elastic foam available in a medium firmness. Why not have your most supportive pillow also be your most comfortable? Bamboo fibers with aloe make our zipper covers the best available. We hope you will enjoy our most versatile pillow to date!

The Elite Pillow (Retail \$89.95) is a standard size and molded memory foam design. What is truly unique about the elite pillow are the maximum cooling elements we have added. The bamboo infused memory foam also has small airflow passageways throughout as well as a top quality bamboo w/aloe quilted zipper cover. We believe this pillow to be the longest lasting most supportive pillow on the market today.

The Superb Comfort Pillow (Retail \$79.95) offers the soft comfortable feel of down while achieving unparalleled support of memory foam. It is large enough for a King and small enough to be used on a Queen size mattress. Shredded foam encased in foam with a Jacquard Velour zipper cover makes the superb comfort pillow the most universally enjoyed pillow in our collection.

The Visco Escape Pillow, (Retail \$49.95) with its innovative neck cradle and exceptionally soft velour cover, transports you to a place of rest and relaxation. Created from genuine visco elastic memory foam. The Visco Escape comes in a full color box with its own canvas bag keeping this essential travel accessory clean and portable.

The Crown, Elite, and Superb pillows all come compressed and roll packed with full color insert for shipping, display, and storage convenience.
